

RECRUITMENT 2027

Open PhD & Postdoc Positions in Applied Mathematics

DALIAN, CHINA

03

PHD OPENINGS

04

POSTDOC OPENINGS

2027

START YEAR

AN INVITATION TO APPLY

We welcome applications to **3 PhD positions** and **4 postdoctoral positions** in applied mathematics at the School of Mathematical Sciences, Dalian University of Technology (DUT), for the funding period **January 2027 - June 2031**. Applications are accepted on a rolling basis until all positions are filled.

The positions are based in Dalian, China. You will work in the research group of **Prof. Xian Liao** or **Prof. Lei Zhao**, with research focused on *Analysis, Differential Equations, or Dynamical Systems*.

We offer an international research environment with regular seminars and workshops, and there is research funding for international conferences and (long-term) research visits. No Chinese is required, and English is the working language.

PHD ENROLLMENT

September 2027

POSTDOC START

From January 2027

APPLICATIONS

Rolling until filled

01 / PHD POSITIONS

Four years. Three openings.

PhD positions are for four years, research-focused with no teaching obligation. A competitive mathematical background is preferred. The following documents are required for application:

1. Cover letter (research interests and preferred supervisor).
2. CV (including contact details of two academic referees).
3. List of publications (if any).
4. MSc thesis (if already available; otherwise: a description of the MSc thesis project).
5. University diplomas/certificates and transcripts of records (BSc/MSc, if available).

02 / POSTDOCTORAL POSITIONS

Two years. Four openings.

Postdoctoral positions are for two years, research-focused with no teaching obligation, and we offer a competitive salary. Applicants should be **under 32 years old at the time of appointment** and have **1-2 publications in internationally recognized journals** (arXiv preprints do not count).

REQUIRED APPLICATION DOCUMENTS

1. Cover letter (research interests and preferred supervisor).
2. CV (including contact details of two academic referees).
3. List of publications.
4. Research statement (2-3 pages).
5. PhD certificate (if already available; otherwise: expected date of defense).

03 / APPLICATION PROCEDURE

Submit one complete application as a single PDF.

Email the single PDF to **Ms. Meiyang WANG** at [wangmeiyang \(at\) mail.dlut.edu.cn](mailto:wangmeiyang@mail.dlut.edu.cn).

Deadline: Open until filled (rolling review). There will be a first committee meeting evaluating the application materials on **August 31, 2026**; subsequent reviews will then be conducted every three months.

MORE INFORMATION

Dalian Analysis and Differential Equations

AT A GLANCE

Host groups

Research group of Prof. Xian Liao or Prof. Lei Zhao.

Research areas

Analysis, Differential Equations, or Dynamical Systems.

Working environment

English is the working language; no Chinese is required.

Research support

Funding for international conferences and (long-term) research visits.

Institution

School of Mathematical Sciences, Dalian University of Technology, Linggong Road 2, 116024 Dalian, P.R. China.
